Please note: There must not be more than 10 people, please find all information here: https://www.smb.museum/museen-einrichtungen/vorderasiatisches-museum/home . Meeting place and time t.b.a. (probably in the morning from 10am, but not yet confirmed!, we'll keep you posted). The plan is for everyone to move around freely for about 10-15 minutes and then choose an object/artifact, which they will then briefly present – so we will then take a tour of the collection together.
